

Boundary - Overdose Of Sin - Script & story boards

The storyboards look like cartoons, but I always do it like this to make it abstract and focus on the main story. Not all scenes are included, just the main ones. This the skeleton (main) story. The meat and skin (visual) comes during the process. In the end it's gonna be a combination of stop motion, illustration, collage and digital effects.

 A black and white sketch of a girl with short hair walking on a path towards a cluster of buildings. A large arrow points from the girl towards the buildings.	<p>1. Fade in - intro</p> <p>A girl walking to the city / village</p>
 A black and white sketch of a girl walking through a village street. Several people are looking at her with neutral expressions.	<p>2. Introduction of the "nice" city/village. All happy and good. "Blank faces, calm as Hindu cows."</p>
 A black and white sketch of a girl looking towards a man who is looking into the distance. The man's face is partially obscured by a circular motion line, suggesting a sudden change or realization.	<p>3. Something evil is coming</p> <p>a. Villagers are looking into the distance</p>

	<p>4. Zoom to the distance</p>
